

## HURON PERTH HEALTHCARE ALLIANCE

FOR IMMEDIATE RELEASE

February 3, 2020

### Huron Perth Healthcare Alliance Looking to the Next Generation

The Huron Perth Healthcare Alliance (HPHA) is excited to confirm that it has formally begun the process to redevelop the Avon Crest property at the Stratford General Hospital. This “once in a generation” opportunity will aim to develop facilities and space that will contribute to the health and wellbeing of Stratford and surrounding communities for decades to come.

The process has begun with the release of a *Request for Solutions* that aims to identify qualified groups interested in partnering with the HPHA to develop the property in a manner that both respects the heritage significance of the original hospital and brings significant value to the health and wellness system supporting our population.

“While confirming the exact direction we will pursue will take some time, we are really excited to finally begin looking for partners that have the same vision we have of turning the Avon Crest property into a world class development that will support the ever-changing health and wellness needs of this community,” says Andrew Williams, HPHA President & CEO.

HPHA is required to follow a very prescriptive process as outlined through the Province’s Broader Public Service Procurement Guidelines, and will look forward to sharing information with, and receiving feedback from our community as the project proceeds.

Those interested in reviewing project material are welcome to visit the public websites [www.biddingo.com](http://www.biddingo.com) and [www.MERX.com](http://www.MERX.com) for further information, and/or forward questions directly to Jennifer Lubbers, Manager, Materials Management at [jennifer.lubbers@hpha.ca](mailto:jennifer.lubbers@hpha.ca).

General inquiries may be directed to Andrew Williams at [Andrew.williams@hpha.ca](mailto:Andrew.williams@hpha.ca) or 519-274-0021
