L-7.14 (Applies to full-time only)

L-7.15 (Applies to full-time only)

Employees hired to rotate shifts shall not be required to work a permanent shift (evenings or nights) without their consent.

L-7.16 (Applies to part-time only)

Regular Part-time Employees will be scheduled no more than two (2) out of four (4) weekends. An employee will receive premium pay for all hours worked on a third and subsequent weekend.

L-7.17 (Applies to part-time only)

Casual part-time employees shall endeavour to advise the Alliance when they are unavailable for periods of fifteen (15) days or more.

L-7.18 (Applies to part-time only)

In cases of extended illnesses or leaves of absence of definite duration, a minimum of forty-eight hours' notice must be given regarding her intention to return to duty.

L-7.19 (Applies to part-time only)

A regular part-time employee can be added to secondary units and/or separate site(s) on a casual status, by mutual agreement.

L-7.20 (Applies to part-time only)

An employee who makes a commitment to be available on a regular pre-determined basis shall be classified as a regular part-time employee. The Employer agrees to schedule regular part-time employees according to their commitment. A casual part-time employee is not required to make any scheduling commitment, but rather is called into work on an ad hoc basis.

All regular part-time employees should be scheduled up to their committed hours before any casual part-time employees are utilized. Where extra tours become available, they should first be offered on the basis of seniority to regular part-time employees; provided that no employee will exceed her commitment as a result of being offered such extra tours where there are regular part-time employees who have not been offered their commitment of shifts. Job sharer's commitment is defined by the full-time line.

Where all regular part-time employees have been given the opportunity to work up to their committed tours, extra tours will then be offered to regular part-time employees on the basis of seniority and where no regular part-time employee is willing to perform the available work, to casual part-time employees on the basis of seniority.

Where there are employees on layoff, the available time shall be given to the laid off employees after the regular part-time are offered the extra tours based on seniority, as in paragraph 3 above, and before casual employees.

L-7.21 Short Notice Call In and Premium Payment Shifts

For shifts that become available on short notice, the Employer will offer the available shift by seniority to any regular part-timer on the unit who does not have their commitment hours (forty-five (45) hours in the pay period) already scheduled and who would not be in a premium situation; and then by seniority to the regular part-timers and job sharers on the unit who are not already scheduled seventy-five (75) hours in the pay period and who would not be in a premium situation. If no one has accepted the shift, then the Employer will offer the available shift to the casual who usually works on the unit, who is not scheduled seventy-five (75) hours in a pay period and who would not be in a premium situation.

Shifts that incur premium will be offered in order of seniority to the nurse who would incur the least amount of premium as a result of accepting the shift (eg. third and subsequent weekend) in the following order:

1. Full –Time
2. Part-Time
3. Casual

Short notice calls on a paid holiday will be filled in accordance with the first paragraph of this Article.

It is understood that scheduling premiums do not apply in short call situations, save and except the scheduling language regarding weekends.

L-7.22 Extended Tours

Introduction and discontinuation of a compressed work week (extended tour)

- (a) A compressed work week shall be introduced into any unit when:
 - i) eighty per cent (80%) of the employees in the unit so indicate by secret ballot; and
 - ii) the Alliance agrees to implement the compressed work week, such agreement shall not be withheld in an unreasonably arbitrary manner.
- (b) A compressed work week may be discontinued in any unit when:
 - i) fifty per cent (50%) of the employees in the unit so indicate by secret ballot; or
 - ii) the Alliance because of
 - A) adverse effects on patient care,
 - B) inability to provide a workable staffing schedule,
 - C) the cost of staffing utilizing extended tours being appreciably greater than staffing utilizing a 7.5 hour tour rotation.

states its intention to discontinue the compressed work week in the schedule.
- (c) When notice of discontinuation is given by either party in accordance with paragraph (2) above, then:
 - i) the parties shall meet within two (2) weeks of the giving of notice to review the request for discontinuation; and

- (d) If full-time lines are scheduled a combination of seven and one half (7.50) hour and eleven and one quarter (11.25) hour shifts, they shall not be scheduled more than thirty-seven and one half (37.5) consecutive hours. All other provisions of the collective agreement apply.

L-7.23 (Applies to full-time only)

Hours of work for those working extended tours shall be scheduled in accordance with the following:

- (a) The hours of work and meal breaks are set out in Article 13 of the Central Agreement.

- (b) No more than three (3) consecutive tours will be scheduled. If more than three consecutive tours are scheduled or worked the employee shall be paid premium pay for all days in excess of three consecutive days until such time as two consecutive days off are granted.
- (c) No more than eight (8) tours will be scheduled in any two (2) week period. If more than eight tours are scheduled premium pay will be paid for all tours in excess of eight (8) tours (75 hours).

- (e) It is understood that a weekend consists of fifty-six (56) consecutive hours off work during the period following the completion of the Friday day shift until the commencement of the Monday day shift.

L-7.24

2 Days-2 Nights Extended Tour Schedules

When the Alliance and the Union agree, the 2D 2N extended tour schedule shall be instituted when sixty percent (60%) of the employees on a particular nursing unit have so indicated by secret ballot.

The sixty percent (60%) figure above may be varied by mutual agreement between the parties.

The Alliance shall make space available to the Union in order to permit the Union to conduct the vote referred to in Paragraph 1.

At any meeting with the Employer to discuss the 2D 2N schedule, a member of the Local executive should be in attendance.

The 2D 2N schedule may be discontinued in any unit when:

- (a) fifty percent (50%) of the employees in a unit so indicate by secret ballot; or
- (b) The Alliance decided to do so because of adverse effects on patient care, or
 - i) inability to provide a workable staffing schedule, or
 - ii) where the Alliance wishes to do so for other reasons which are neither unreasonable nor arbitrary, and states its intention to discontinue the extended tours in the schedule;
- (c) When notice of discontinuance is given by either party in accordance with number (b) above, then:
 - i) the parties shall meet within four (4) weeks of the giving of notice to review the request for discontinuance; and
 - ii) where it is determined that the extended tours will be discontinued, affected employees shall be given sixty (60) days' notice before the schedules are so amended;

- (d) The Local Union will be informed of the results of the secret ballot within seven (7) days.

If a 2D 2N schedule is voted in by sixty percent (60%) of the staff on a particular Nursing Unit, the Alliance and the Union agree to meet to determine scheduling provisions and any other contract implications such as premium payment.

Employees shall not be required to work more than four (4) consecutive tours. Where schedules do not conform to this, the employee shall be paid a premium pay for the fifth and subsequent day until a day off is scheduled.

Subject to Article 13.03, where a 2Day 2Night Schedule is implemented.

The scheduling provisions contained in Article L-7 are applicable save and except for the following:

- (a) Employees shall receive every fourth (4th) weekend off, which shall consist of five (5) consecutive extended tours, which shall commence no later than 19:30 hours Friday. Upon completion of the fourth (4th) tour employees shall receive five (5) consecutive days off.
- (b) An employee will receive premium pay as defined in Article 14 for all hours worked on a fourth (4th) consecutive weekend, save and except where:
 - i) Such weekend has been worked by the employee to satisfy specific days off required by such employee; or
 - ii) Such employee has requested weekend work; or
 - iii) Such weekend is worked as the result of an exchange of shifts with another employee.
- (c) Article L-7.13 of the local agreement is waived.
- (d) All schedules will be done on the basis that each full-time employee will be scheduled for 1,950 hours per year. In order to accommodate this, the following must occur:
 - i) The Hospital may distribute statutory holidays in the schedule in order to ensure that the full-time employee's bi-weekly pay remains whole.

ARTICLE L-8 - CLASSIFICATION - "REGULAR PART TIME EMPLOYEES"

(Applies to part-time only)

L-8.01 Regular Part-time Employees shall state their availability in writing. Employees in this classification are scheduled for a certain number of tours as posted on the time schedules. These employees make a commitment to the Alliance to be available for work on the following basis:

- (a) As required by the Alliance to work eleven (11) calendar months of the year which must include December and four (4) weeks during the months of July and August.
- (b) Two weekends in four.
- (c) As scheduled on any tour either:
 - i) December 25 and December 26
 - or -
 - ii) December 31 and January 1
- (d) For two of the three tours although specific preference for one tour other than days will be respected when possible.
- (e) At least four (4) 11.25 hour tours in a pay period, or six (6) 7.5 hour tours in a pay period, or any combination up to forty-five (45) hours in a pay period.

At the Clinton, Seaforth and St. Marys sites the regular part-time commitment is currently thirty (30) hours in a pay period. The current regular part-time employees as of March 1, 2005 may continue this arrangement if they so choose, (in writing to their Program Director). All new regular part-time employees and remaining regular part-time employees will have a commitment of forty-five (45) hours in a pay period.

ARTICLE L-9 - DESIGNATED HOLIDAYS (REFER TO ARTICLE 15 CENTRAL)

- L-9.01 In accordance with Article 15.01 of the Central Document, the following shall be recognized as paid holidays: New Year's Day (January 1), Good Friday, Easter Monday, Victoria Day, Canada Day (July 1), Civic Holiday, Labour Day, Thanksgiving Day, Remembrance Day (November 11), Christmas Day (December 25), Boxing Day (December 26), Family Day (third Monday in February).
- L-9.02 An employee will be paid time and a half (1 ½) for the hours actually worked during the twenty-four (24) hours of the designated holiday, e.g. January 1st 0001-2400. This may result in premium payment for part of a shift and regular straight time hourly rate for part of a shift.
- L-9.03 (a) All employees shall be scheduled off at least five (5) consecutive days at either Christmas or New Year's. Christmas time to be defined as including Christmas Eve from 19:00 hours on, Christmas Day and Boxing Day, New Year's time to be defined as New Year's Eve from 19:00 hours and New Year's Day.

The Christmas/New Year's schedule will be posted on October 15th of each year.

For the purposes of short call however, regular part-time nurses may make themselves available to accept short notice call-in shifts during their scheduled five (5) consecutive days off at their discretion. Acceptance of such shifts will not invoke premium payment except where premium payment is eligible under another provision.

In order to achieve this time-off the Union waives the scheduling requirements of Article L-7.05 during a four (4) week period that includes Christmas and New Year's. The provisions of this clause shall not apply to any employee employed within the Operating Room, Recovery Room, Day Surgery, Endoscopy, Pre-Admit Clinic, Medical Imaging, Psychiatric Day Care, and Surgical Ambulatory Clinic, who is not required to work on Christmas Day, Boxing Day or New Year's Day.
